

Partnership Contribution Terms

To ensure fairness and transparency for all partners, the following terms apply to the Top 1000, Gold, and Platinum Partnership levels:

1. **Commitment Fulfilment and eligibility for benefits**

Partnership benefits are linked to the full completion of the pledged contribution amount. Partners will become eligible to receive and enjoy the associated appreciation benefits once their pledged contribution has been fully paid and confirmed.

2. **Payment Schedule**

Partners who choose to fulfil their commitment through instalment payments over a number of months are kindly asked to ensure that all payments are completed within the agreed timeframe prior to the start of IGOC.

3. **Incomplete Contributions**

In cases where the pledged contribution has not been fully completed, we reserve the right to adjust certain partnership benefits linked to that tier.

4. **Appreciation**

We deeply value every partner's generosity and commitment, and these terms simply ensure that all partners are recognised fairly.
